

THANK YOU!! To all of our patients!

Renaissance Primary Care & Wellness Group, LLC wanted to thank each and every patient that has been kind enough to send their family and friends to the office! It means so much to us that you trust us with your own care and also the care of your loved ones!

As a "Thank You" we will be instituting a "Patient Appreciation Referral Program"! For the months of March, April and May, each time you refer a patient to the practice, they schedule an appointment and are seen, you will get to choose between 1 of several gifts ranging from restaurant gift cards, local store gift cards (Wal-mart, Target, etc), and RPCWG apparel.

The rules are as follows:

- The referred patient must be seen in the office prior to June 1, 2009
- The referred patient must specify that you referred them in order for the referral to count towards the Referral Program
- You will not receive your Thank You Gift until after the patient has been seen in the office
- Once the patient is seen, we will be contacting you within 2 weeks to arrange selection and delivery of your gift.
- If you refer a family of 5 and all five people schedule and are seen, you will get to choose five gifts!

We are happy to be your Family Practice of choice; we are honored to care for you, your family and friends! We hope you will send more people to the office. A referral is our biggest and most appreciated compliment!

The practice has grown tremendously over the last year. However, it is imperative that we continue to grow in order to continue to be able to provide that care that you all deserve. If every patient referred two patients, this could triple the practice!

Again, we sincerely thank you!

Have a happy and healthy weekend!

Renaissance Primary Care & Wellness Group, LLC
